

Neighbourhood Home Care — Residential Cleaning Service Agreement

Template — not legal advice. Have it reviewed by a lawyer or your insurer before use. Not for use in Quebec without adapting to the OPC rules. The English version governs; the Korean text is a courtesy translation.

1. Parties and service address

1.1 Service provider: Neighbourhood Home Care, operated by _____ (sole proprietor). Mailing address: _____. Phone: _____. Email: _____.

1.2 Client: _____. Phone: _____. Email: _____.

1.3 Service address: _____.

1.4 Liability insurance (filled in only if a policy is in force): insurer _____, policy number _____.

1.5 Sales tax: GST/HST is added only if a GST/HST registration number is written here: _____. If this line is blank, no GST/HST is charged.

2. Service, schedule and price

2.1 Service type (tick one): ☐ Standard clean ☐ Deep clean ☐ Move-in / move-out clean ☐ Recurring standard clean every two weeks, starting _____.

2.2 Home size: ___ bedrooms and ___ bathrooms. Add-ons, done only if ticked: ☐ inside oven ☐ inside fridge ☐ inside empty cabinets.

2.3 Date and arrival window: _____, arriving between _____ and _____.

2.4 Price: \$_____ per visit, agreed before work starts. If a premium for jobs within 24 hours, on weekends or on statutory holidays applies, it is included in this price. Extra work is done only after you agree to a new price.

3. What each service includes

3.1 Standard clean: dusting of surfaces we can reach from the floor or a step stool; kitchen counters, sink, stovetop and the outside of appliances; bathrooms (toilet, sink, tub or shower, mirrors); vacuuming and mopping floors; and emptying garbage into your bins.

3.2 Deep clean: everything in a standard clean, plus baseboards, doors and door frames, light switches and handles, cabinet fronts, inside the microwave, inside window sills and tracks, and extra scrubbing of built-up grime in the kitchen and bathrooms.

3.3 Move-in / move-out clean: a deep clean of an empty home, including inside closets and the floors where furniture stood. If furniture or belongings are still in the home, we clean around them.

3.4 Inside the oven, inside the fridge and inside empty cabinets are add-ons for every service type. They are done only if ticked above.

3.5 The price covers the number of bedrooms and bathrooms written above. If we find heavy build-up that was not visible when we quoted (for example, heavy grease, pet hair or odours), we will tell you and agree a price before doing the extra work.

3.6 We bring our own cleaning supplies and equipment. If a surface needs a special product (for example, for natural stone or hardwood), please leave it out and tell us.

4. Not included

4.1 We do not handle biohazards: blood or other bodily fluids, human or animal waste, needles or other sharps, or pest droppings.

4.2 Also not included: mould remediation; exterior windows; lifting or moving heavy furniture or appliances (anything one person cannot safely move alone); work above step-stool height; carpet or upholstery shampooing; removing furniture, junk or large amounts of garbage; and anything that needs a licensed trade, such as plumbing, electrical, gas, pest control or appliance repair.

4.3 If we find any of these on the day, we skip that item, clean everything else and tell you what we skipped and why. If this leaves a large part of the job undone, we agree a fair price with you before continuing.

5. Access, keys and lockouts

5.1 We do not keep or hold keys, fobs or garage remotes. For each visit, either you (or an adult you name) are home to let us in, or you leave a key in a lockbox that you own, set up and are responsible for. When we leave, we lock the door and put the key back in the lockbox.

5.2 Lockbox and door codes are used only for your job and are deleted when the service ends. You may change them after any visit.

5.3 Electricity, hot water and lights must be working. For condos and apartments, you arrange building access, elevator booking and visitor parking where needed. Parking fees, if any: ☐ paid by you ☐ included in the price.

5.4 Lockout: if we arrive within the arrival window and cannot start (no one home, wrong code, no key, the building will not let us in, or no power or water) and we cannot reach you within ____ minutes, we may leave and charge a lockout fee of \$_____.

6. Pets and valuables

6.1 Please tell us about pets before the visit. Keep any pet that may bite, run out or get stressed in a closed room or crate, or out of the home. We do not feed, walk or look after pets, and we are not responsible for a pet that gets out through a door we need to use if it was not secured as asked.

6.2 Before we arrive, please put away cash, jewellery, small valuables and anything fragile, antique, sentimental or irreplaceable, or point it out to us. We will not clean or move anything you ask us to leave alone. To the extent the law allows, we are not responsible for breakage of an item of unusual value that was left out and not pointed out to us.

7. Damage, missed areas and re-cleans

7.1 Damage: if you think we damaged something, tell us within 24 hours after the visit ends, by text to _____ or email to _____, with photos of the damage. We will reply within ___ business days, may ask to see it, and will compare it with our before photos. If we caused it, we will repair it, replace it, pay the reasonable repair cost, or refer the claim to our liability insurer. We are not responsible for normal wear, damage that was already there, or items that were loose, broken or not properly installed before we cleaned.

7.2 Missed areas: if we missed an area that is part of your service, tell us within 24 hours after the visit, with photos, and we will come back and re-clean that area at no charge, at a time that suits us both. We offer no other guarantee.

8. Cancelling or rescheduling a visit

8.1 Please give at least ___ hours' notice to cancel or reschedule a visit. If you cancel with less notice, we may charge \$_____.

8.2 We may reschedule because of illness, unsafe conditions or severe weather. We will tell you as early as we can, and there is no charge to you.

8.3 Recurring cleaning: each visit is booked and paid on its own. Either of us may stop recurring visits by giving ___ days' notice.

9. Payment

9.1 Payment is due when the work is finished, by Interac e-Transfer (to _____) or in cash. No deposit is required.

9.2 If the total is more than your bank's e-Transfer limit, you can split it into two or more transfers or pay part in cash. We give a receipt for every payment.

10. Your right to cancel (Ontario)

10.1 If you signed this agreement in person anywhere other than our place of business (for example, at your home), it is a direct agreement under Ontario's Consumer Protection Act. You may cancel it for any reason within 10 days after you receive a copy of the signed agreement. To cancel, tell us in a way that leaves a record: email _____, text _____, or write to _____. We must refund everything you paid within 15 days after we receive your cancellation.

11. Photos

11.1 We take photos of the work areas before and after the job to check our work and to handle any damage claim. These photos are not published, and we keep them only as long as they are needed for those purposes.

11.2 Separate, optional consent for marketing photos: ☐ Yes ☐ No. We may use before/after photos of the work areas on our website, in ads and on social media only if you tick Yes and initial the photo line below. We will not show people, pets, house numbers, the street, vehicles or licence plates, mail, documents, family photos or other items that identify you, but someone who knows your home may still recognise it. Saying No does not change your price or service. You can withdraw this consent at any time by contacting us; we will then stop using the photos in anything new and remove them from our website and social media accounts within ___ days. Printed materials already handed out cannot be recalled.

12. Your personal information

12.1 We collect your name, address, phone number, email, access instructions and job notes only to quote, schedule, do and bill the work, to handle claims, and to keep the records that tax law requires. We do not sell your information. We share it only when needed for those purposes (for example, with our insurer if there is a claim) or when the law requires it.

12.2 We send marketing emails or texts only if you agree to them separately, and every such message tells you how to unsubscribe.

12.3 In Ontario, the federal Personal Information Protection and Electronic Documents Act (PIPEDA) governs how we handle your information; in BC and Alberta, the provincial Personal Information Protection Act (PIPA) applies instead. To see or correct the information we hold about you, or to ask about it, contact us at _____ or _____.

13. General

13.1 We may stop or refuse any task we judge unsafe. We will tell you why, and you are not charged for work we do not do.

13.2 Changes to this agreement count only if both of us agree in writing; email or text is fine.

13.3 This agreement is written in English and Korean. If the two versions differ, the English version governs; the Korean text is a courtesy translation.

13.4 This agreement is governed by the laws of the province where the service address is located. Each of us keeps a signed copy.
